

StoneX Group Inc. Announces Closing of \$550 Million of Senior Secured Notes due 2031

March 1, 2024

NEW YORK, March 01, 2024 (GLOBE NEWSWIRE) -- StoneX Group Inc. (the "Company"; NASDAQ: SNEX), today announced the closing of its previously-announced offering of \$550 million in aggregate principal amount of 7.875% Senior Secured Notes due 2031 (the "Notes"). The Notes and the related Note guarantees were offered and sold in a private offering to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), and to certain persons outside the United States pursuant to Regulation S under the Securities Act.

The Notes are fully and unconditionally guaranteed, jointly and severally, on a senior secured second lien basis by each of the Company's existing and future subsidiaries that guarantees indebtedness under the Company's senior secured revolving credit facility and certain other senior indebtedness. The guarantees are subject to release under specified circumstances. The Notes and the related guarantees are secured on a second priority basis by liens on substantially all of the Company's and the guarantors' property and assets, subject to certain exceptions and permitted liens. The liens on the Company's and the guarantors' assets that secure the Notes and the related guarantees are contractually subordinated to the liens on the Company's and the guarantors' assets that secure the Company's and the guarantors' existing and future first lien obligations, including indebtedness under the Company's senior secured revolving credit facility, as a result of an intercreditor agreement entered into by the collateral agent for the Notes and the agent for the Company's senior secured revolving credit facility. The Notes pay interest semiannually, in arrears, at a rate of 7.875% per annum.

This press release is neither an offer to sell nor a solicitation of an offer to buy the Notes, the related guarantees or any other security, nor shall there be any offer, solicitation or sale of any securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful. Any offers of the Notes and the related guarantees were made only by means of a private offering memorandum.

The offer and sale of the Notes and related guarantees have not been, and will not be, registered under the Securities Act, or the securities laws of any other jurisdiction, and the Notes and related guarantees may not be offered or sold in the United States absent registration or applicable exemptions from registration requirements.
