## **INTL FCStone Expands Global Macro Commentary Capabilities with the Addition of Vincent Deluard**

NEW YORK, Sept. 13, 2016 (GLOBE NEWSWIRE) -- INTL FCStone Inc. (NASDAQ:INTL), a diversified global financial services organization delivering execution and advisory services in commodities, currencies and securities, today announced that Vincent Deluard has joined the Broker Dealer Division of its subsidiary INTL FCStone Financial Inc. as Vice President, Global Macro Strategy and will provide macro-economic and fundamental market commentary on the securities markets with a global perspective. Before joining INTL FCStone, he served as Europe Strategist for Ned Davis Research and Executive Vice President of TrimTabs Investment Research.

Charles Lyon, Head of INTL FCStone Financial's Broker Dealer Division, stated, "Rising correlations and expanding non-conventional central bank policies have created a high demand for unbiased global macro commentary. As a client-focused organization, we strive to provide our customers with the best execution possible and unique perspectives on the assets they trade. Vincent has a long track record of creating original global macro commentary and we are very pleased to welcome him to the team."

Deluard said, "I am thrilled to join INTL FCStone; as broker-dealers are cutting back on client service, INTL FCStone has the balance sheet, the expertise, and the commitment to improve its offering to institutional clients worldwide. INTL FCStone can provide investors with full trading and execution capabilities, and I look forward to assisting this effort with original and objective commentary on European markets and data-driven perspectives on global asset allocation."

### **About INTL FCStone Inc.**

INTL FCStone Inc., including its subsidiaries, is a leader in the development of specialized financial services in commodities, securities, global payments, foreign exchange and other markets. Our revenues are derived primarily from financial products and advisory services that fulfill our clients' real needs and provide bottom-line benefits to their businesses. We create added value for our clients by providing access to global financial markets using our industry and financial expertise, deep partner and network relationships, insight and guidance, and integrity and transparency. Our client-first approach engenders trust, and has enabled us to establish leadership positions in a number of complex fields in financial markets around the world.
